'Growing together' at the heart of the community

To all our dear friends and supporters. We just want to say how much we miss everyone and are thinking of you all. During these difficult times all at Missenden Walled Garden are wishing everyone to keep safe and well. Our thoughts are with anyone who has been affected by the Covid-19 emergency, and we give special admiration and thanks, to all key workers in the frontline helping keep us all safe and well.

We continue to keep in touch virtually with our Members and volunteers; and are working at safe distances here at Missenden Abbey (the Abbey continue to be the most wonderful supporters of our charity), to keep this special space as ready as we can for when we are advised that we can reopen. I will be sharing some photos on our Facebook page to keep you connected in the coming weeks. Our best wishes to you all, Kyle, Charity Director and the MWG team.

MWG produce is helping the Community.

We grow produce onsite as part of our horticultural based activities, much of which is used in the kitchens of the Missenden Abbey. Nothing is going to waste while the kitchens are closed, we are supplying fresh produce to Abbeyfield House, our local care home, and Hyde Heath Village shop

Thank you for your wonderful support

Thank you **Buckinghamshire County Council** for their support during the Covid-19 emergency.

Our bees are waking up to the lovely spring sunshine. Thank you so much to **Helen**, for looking after the Bees and supporting the charity.

'Growing together' at the heart of the community

Thank You for your support

Our passion is to provide the best possible opportunities, pathways, and activities for people with disabilities. This includes educational and vocational courses, for our members, staff and volunteers.

With the help of our supporters, grants and fundraising, we are focused on delivering this.

Thank You Gill Tomes

Gill Tomes of Great Missenden raised **£520** for MWG with donations for her Christmas Lights display. Thank you for your continued support.

WOW! The **Co-op** have done it again!!!!, thank you so much for your amazing support **£2568.00**

MWG Stall

Our weekly seasonal stall, at our Church Street entrance, was a big success. It gave our members the opportunity to engage with the community, learn valuable social skills and be proud of what they had helped to achieve. Well done everyone.

Opening again when safe to do

Thank you  www.ucare-oxford.org.uk for their donation of 5000 tulip bulbs which we planted together in the winter

And huge thanks once again to the **Friends of Endeavour** for their kindness and generosity in funding equipment and meals out for our members
